Good Friday Hours of Service

In observance of Good Friday, dining hours of service will temporarily be altered. Changes are available on our home page at www.wakeforest.campusdish.com.

WFU D.E.S.K Program

On April 7th, Wake Forest University will hold its annual Discovering Education through Student Knowledge service project. This program supports children in the Winston-Salem area who are in need of a place to study and learn in their homes. The Fresh Food Company will host an event supporting D.E.S.K. in accordance with the program’s “Monsters University” theme.

Celebrate Earth Day!

Our commitment to environmental stewardship involves a year-round effort to develop and implement long-term environmental programs and policies within the areas of purchasing, building operations, resource conservation, transportation and waste management. On April 23rd, we will be partnering with Wake Forest University’s Office of Sustainability to hold the “Harvest Dinner” at Bistro ’34 to increase awareness of local and sustainable food endeavors. Learn more about Earth Week efforts at www.aramarkearthweek.com and at www.sustainability.wfu.edu.

Exams Approaching? Stop by the Relaxation Station!

End of year exams can be taxing on students, faculty and staff. Enjoy a quick reprieve at the Fresh Food Company! Our selection will include hot teas, dark chocolate, assorted cheeses, and berry and yogurt smoothies. The station will be available April 23rd, 29th, 30th and May 5th.

Third Annual Employee Appreciation Day

On April 9th, we will take time to celebrate and honor our employees for their dedication, engagement and contributions to Wake Forest and the community. Thanks to our employees who work year-round to enrich and nourish the lives we touch!
