## Welcome Back!

We hope you all had a great and relaxing break! You can see our hours of service on our website at [www.wakeforest.campusdish.com](http://www.wakeforest.campusdish.com) as well as the temporary shift in hours due to Martin Luther King, Jr. Day.

## Campus Dish 2.0

Now viewing our menus is as simple as the click of an App! You can download the Campus Dish 2.0 app straight to your phone and make your dining experience stress-free. You can view the Fresh Food Company, Magnolia Room and the Hilltop Markets daily menus. You are also able to check your balance through this resource!

## Fresh Food Company: New Items and Sustainability

We are adding some new delicious additions in the Fresh Food Company! Our Salad bar is now featuring new menu items to spark your taste buds as well as our new vegan/vegetarian action station! You can view these new additions on our website at [www.wakeforest.campusdish.com](http://www.wakeforest.campusdish.com) under menus. We are also highlighting our sustainable purchases! Around the Fresh Food Company you will find decals that have our local logo. They are there to inform you of what products are from local farms!

## Aramark and the American Heart Association Join Forces

Aramark and the American Heart Association are teaming up to achieve a bold goal: to improve the health of Americans 20 percent by the year 2020. We are dedicated to this goal by spotlighting heart health month with a special event. There will be more to come on this event!

## Food Allergy Training

Education, cooperation and teamwork are the keys to safely serving out guests with food allergies. At the start of the spring semester, we are focusing our efforts on further educating our managers, culinary teams and front-of-the-house staff on: the issues surrounding food allergies, what to do if an allergic reaction occurs and how to properly respond to customer questions. If you have any questions about allergies, you can contact our registered dietitian Kate Ruley at [ruley-kate@aramark.com](mailto:ruley-kate@aramark.com).
