Go Red For Women

In the Fresh Food Company on February 4th, we will be having a Go Red for Women event at lunch time! We are doing this to educate and create awareness on the significant correlation between nutrition and heart health. Kate Ruley, our registered dietitian, will provide tips on how to properly nourish the body through food! There will be giveaways, educational materials, and some special visits from several WFU female athletes!

Sustainability

We work together to continually develop and implement sustainable solutions at Wake Forest University. We call these programs and policies Green Thread as they weave throughout our operations every day! One of the many ways we implement this is by training our employees each semester on common energy and water conservation practices in order to conserve precious natural resources.

Legal Grounds Café at Worrell Law School

Legal Grounds café has some new additions to the menu! They have specialty breakfast and lunch sandwiches that are perfect to indulge for a break! They also have some amazing rotational soups that are perfect for this frigid weather! Come try it out today!

Faculty Friday at Bistro 34

We have a new special for all Faculty and Staff! Grab a friend and come in Friday for lunch between 11am – 2pm and get two non-alcoholic drinks, one appetizer, and two entrées for just \$20! This special will be running every Friday for the rest of the semester!

Faculty and Staff Meal Plans

Save time by Dining with a meal plan! You're already on campus for lunch most of the week, so instead of losing your parking spot, dine with us on campus! You can visit the dining office at Reynolda Hall Room 12 or www.wakeforest.campusdish.com for more information!
